ENIGMA

Introduction:

Find the mysterious secret techniques to decrypt the given texts/messages. Clear all the levels in the allotted time to become the ultimate "cryptacker"

Problem statement:

Round 1:

1. It's a pen and paper event.
2. Each team has to decode a series of crypted messages.

Round 2:

1.It will be buzzer type round.

Event rules:

1. Max Team Size - 2 (Individual participants are welcome)

2.The decision of the organizers will be final and binding.

Judging criteria:

1. Tie breakers would be conducted if necessary.
2. There are points associated with each message and the team to accumulate maximum number of points wins.

3. Prizes will be given for the top two teams.
4. Certificate of Merit will be given for the top 3 teams.
5. Participation Certificate will be given to all the teams who qualify for the second round.
6. Participation Certificate is not guaranteed for those who registered onspot for the event.
